## **Are you registered in another municipality than Malmö city?**

### **How the process works**

If you are registered in another municipality than Malmö city, but want to study Swedish for immigrants (sfi) at Komvux Malmö Sfi, you need to contact the municipality in which you are registered. There you can apply for your own municipality to pay for your education at Komvux Malmö Sfi.

Use the form on the next page and fill in the first section that is marked with: **"To be filled in by the applicant"**, then send the application to your home municipality. If your municipality approves to pay for your education at Komvux Malmö Sfi, they will forward your application to Komvux Malmö Sfi.

You can still register for sfi while you wait for your municipality to make their decision on your application. However, you will not be able to start your education until your home municipality and Komvux Malmö Sfi have approved your application.
